

# Missional Intercession

Winterfest 2012

Dear Brothers and Sisters in Christ,

We are excited about meeting you and joining you in prayer at Winterfest. We are praying that at Winterfest you will experience the LORD through prayer and be equipped to lead others into prayer. How you enter the weekend will impact how you experience the weekend, so here are some jobs for you:

1. Get sleep so that you can be alert and awake.
2. Read through the pre-course assignment and pray for the weekend!
3. Bring your Bible and a notebook.
4. Bring money for the IFES offering and to buy books.

The pre-course is relatively simple. We ask that you would pray over the course of two weeks prior to the weekend. Please set aside time to do this as intercession is not something you learn by "hearing a talk", rather it's developed through experience. For more specific directions, see below and if you have any questions feel free to contact me. We look forward to seeing you at Winterfest 2012!

Blessings till then,

Colleen Degen, Program Director

## :: pre-course assignment

Begin a 2-week prayer journal on **February 3<sup>rd</sup>**. Write out your prayers. They can be long, they can be short. There can be one a day or multiple in a day. Make the Winterfest conference a focus of your prayers and let's see how the Holy Spirit aligns us in prayer together.

- Go to the Winterfest website, [www.winterfestivcf.org](http://www.winterfestivcf.org) and pray over each track that will take place that weekend. Pray that the right people will be brought to the conference and that God will prepare their hearts to receive what He has for them that weekend. Pray for the track leaders, that they will be protected as they prepare to lead the seminars.
- Pray for our guest speaker, Ram Sridharan. Pray for his protection and God's anointing on him as he makes final preparations for his time with us at Winterfest.
- Pray for the technology at Winterfest and all administrative arrangements (registration, hotel rooms, meeting spaces, meal plans). Pray that things would flow smoothly.
- Pray for Sandra Van Opstal and the other worship leaders. Pray for their protection and their preparation for leading us in worship.
- Listen! Spend some time in silence listening for what the Holy Spirit brings to your mind and heart. Allow God the space to speak and journal any thoughts you have from that time with Him.
